

## **Environmental Policy**

GUD Holdings Limited Trading as Dexion Commercial is fully committed to the environment and environmental sustainability.

Our commitment is driven by a genuine recognition of local and global sustainability issues. We realise that these issues are a major concern for many of our clients, staff and other stakeholders.

Dexion Commercial is committed to the following:

- Compliance with all relevant environment legislation and industry codes of practice as a minimum performance standard.
- Reducing waste and emissions.
- Efficiently and effectively using energy and other resources.
- Educating employees and contractors about our joint responsibilities and understanding how their actions influence our environmental performance.
- Provision of resource for effective implementation of environmental management and environmental programmes.
- Communicating with others about our environmental performance.
- Regularly reviewing our Environmental Management System to continuously improve our environmental performance.
- Commitment to the prevention of pollution.
- This policy will be reviewed 2 yearly.
