# Safe and Secure

As tough as a forward pack and seen in the classiest of locker rooms, Precision personal lockers give staff or club-members their own personal space in a way that says "this is yours".

## Locker Cabinets

PRECISION

*Transforming work space*

# Sometimes the simple ideas are the best

Diamond hard, scratch resistant steel lockers reassure you and your staff. Personal belongings stay safe while these high use products stay looking great, year after year.

## Features

- Lockers give a uniform look when banked together
- All lockers have collar holes for fixing together in banks
- Perforated doors provide ventilation
- Fully lockable with three locking options
- Latchlock secures door closed, ready to accept user supplied padlock (6.3mm shank)
- Camlock is a keyed small flush fitting lock
- Flushlock has rotating handle to close door with built in keyed lock. Fitted with top & bottom lock bars it comes standard in Classic single tier lockers
- 200 combinations for key locks (2000 lock series is available on request)
- Masterkey available
- Optional sloping tops prevent dust and objects collecting on unit tops
- Optional bases provide clearance for cleaning underneath
- Locker features include shelf, coat hook or rail, mirror and reinforced doors
- 2 step model designed for jackets to hang without obstruction
- Maxi lockers are oversized to provide more storage capacity. Optional extras to this range include document holders, boot shelves, reinforced doors, multipoint locking & towel rails
- Name card holder fitted to all Classic locker doors
- Personal mirrors are included in single and two tier Classic lockers
- Scratch resistant powder coated finish in 2 Quickship colours with next day dispatch for all Classic lockers
- Contemporary range of 9 Customfit powder coat colours is also available
- Colour samples are available on request
- 10 year Warranty *
- Fully recyclable; all steel construction
- For large orders and project specific orders customisation is available
