Smartstore G3 Planter

PRECISION
Filing and Storage

Introduction

A range of premium planter boxes designed specifically to top our Smartstore G3 Tambour Cabinets.

The planter boxes are provided complete with moulded ABS liners that provide both strong support and moisture protection. The Smartstore G3 Planters are designed to accept 200mm (8") pots as standard, with a maximum aperture of 230mm (9").

Smartstore G3 Planters are available with both plain and perforated fronts.

The planters consist of 3 nested components: a powder coated steel tray with adjustable pot openings, waterproof ABS liner and powder coated steel carcass.

Features

- Planters are provided as a complete assembled unit
- Pre-fitted clear rubber feet are secured to the underside of the planter box.
  Feet assist in holding the planter in position whilst on the cabinet and prevent
  any scuffing of the cabinet top
- Plain or perforated designs available
- Environmentally sustainable waterproof ABS full depth safety liner as standard
- Unique top tray with folding tabs to assist in retaining fill. Can also be inverted for use without any fill

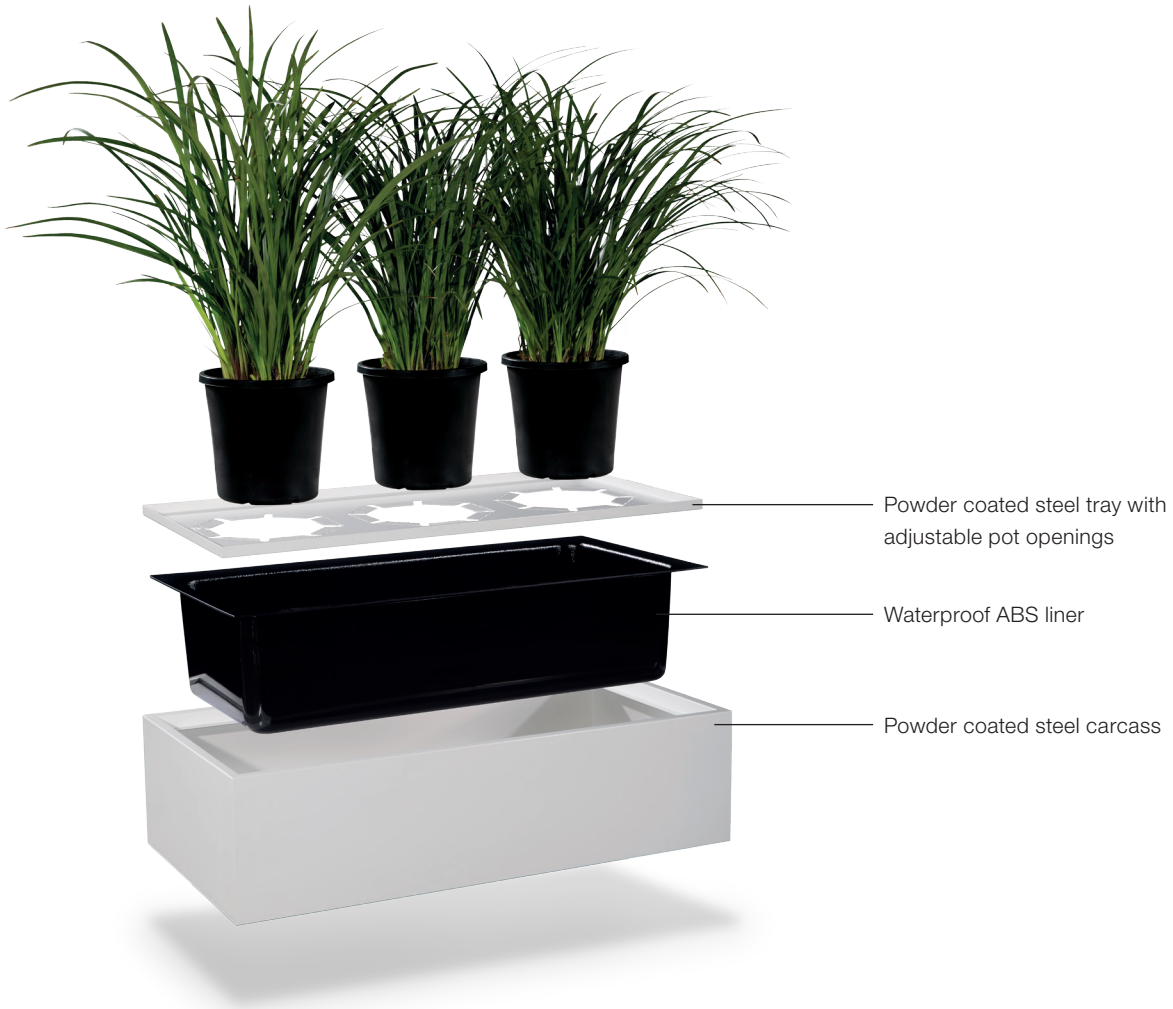
Key: – WS: White Satin, S: Stocked, MTO: Made To Order.

Component details

Smartstore G3 Planters are comprised of the following components:



Planter integration

Smartstore G3 Planter boxes are designed specifically for integration with the Smartstore G3 Tambour Cabinets. Planter boxes and cabinets are designed to align with standard heights in the cabinet range producing clean, consistent lines.

Please note: the recommended maximum height combination should not exceed 1430mm. The maximum height is achieved by using a 1200mm high cabinet with a standard 230mm planter box. Planter boxes accept 200mm diameter pots.
