Strata 2 Sliding Door

PRECISION
Filing and Storage

Introduction

The Strata 2 Sliding Door Cabinet is the latest sleek addition to the Precision by Dexion Cabinet range. Designed with office refurbishments and fit outs in mind, this cabinet is effortlessly incorporated into workstation areas or smaller office areas where space optimisation is essential.

The cabinet's sliding doors are perfectly suited to aisles because they do not impede walkways. They are uniquely designed to ensure a smooth, quiet sliding door operation, while the bevelled handle is ergonomic and easy to use.

The Strata 2 Sliding Door Cabinet is GECA Certified and has perforated doors with acoustic sound absorption panels as standard. The perforated design creates a modern aesthetic, whilst acoustic panels enhance sound absorption.

The Strata 2 Sliding Door Cabinet is available in a range of colours.

Features

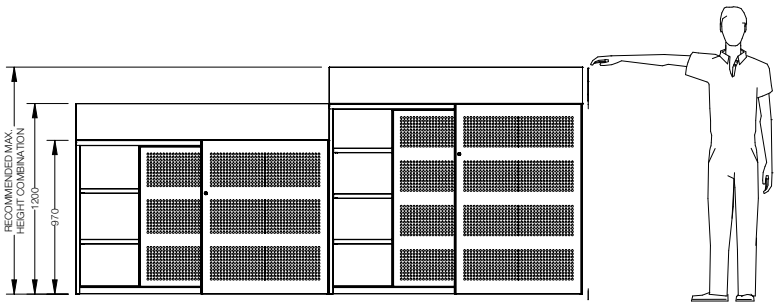
- MI – Midnight Blue
- DS – Deep Sea
- RG – Rivergum
- FR – Flame Red

Alternatively cabinets are available in all standard Dulux and Interpon powdercoat colours. Please speak with your sales consultant for more information.

Planter integration

Strata 2 Planter boxes are designed specifically for integration with the Strata 2 cabinet range. Planter boxes and cabinets are designed to align with standard heights in the cabinet range producing clean, consistent lines.

Please note: the recommended maximum height combination should not exceed 1430mm. The maximum height is achieved by using a 1200mm high cabinet with a standard 230mm planter box. Planter boxes accept 200mm diameter pots.



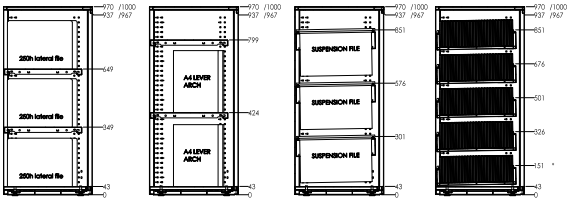
Strata 2 Sliding Door

Storage capacity

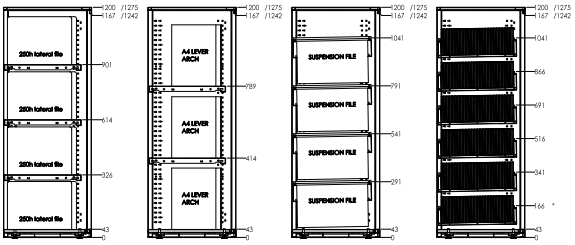
Below are diagrams showing the achievable number of storage levels for the four most typical storage applications used for Sliding door cabinets:

- A4 Lever Arch folders (315H or less), hanging files, lateral files & CDs

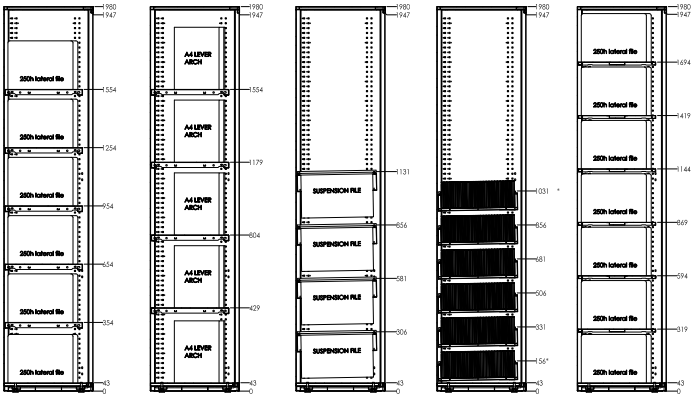
970–1000H



1200–1275H



1980H



Lateral filing on shelves | A4 Lever Arch filing on shelves | Suspension filing in file frames | Media storage in media drawers | Lateral filing on fineline shelves
